

**CURRICULUM VITAE
PROF. GILDA
CINNELLA**

PERSONAL INFORMATIONS

Name **CINNELLA GILDA**
Work address [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
Phone /Fax [REDACTED]
E-mail [REDACTED]
Nationality [REDACTED]
Date of Birth [REDACTED]

WORKING EXPERIENCE

Since november 2019 **FULL PROFESSOR OF ANESTHESIA AND INTENSIVE CARE**
University of Foggia

Since february 2019 **HEAD OF THE EMERGENCY DEPARTMENT**
UNIVERSITY HOSPITAL POLICLINICO "OO. RIUNITI" FOGGIA, ITALY
Main duties and responsibilities Organization, coordination and management of clinical activities of the Department

Since 2017 **HEAD OF THE DEPARTMENT OF ANESTHESIA AND INTENSIVE CARE**
POLICLINICO "OO. RIUNITI" FOGGIA, ITALY -
Main duties and responsibilities Organization and coordination of clinical and experimental research activities and clinical activities at the Department of Anesthesia and Intensive Care

• Since 2005 **ASSOCIATE PROFESSOR OF ANESTHESIA AND INTENSIVE CARE**
University of Foggia
Main duties and responsibilities Clinical and experimental research activities and clinical activities at the Department of Anesthesia and Intensive Care

• 1999-2004 **ASSISTANT PROFESSOR OF ANESTHESIA AND INTENSIVE CARE**
University of Foggia
Main duties and responsibilities Clinical and experimental research activities and clinical activities at the Department of Anesthesia and Intensive Care

• 1999 **ASSISTANT PROFESSOR OF ANESTHESIA AND INTENSIVE CARE**
University of Bari
Main duties and responsibilities Clinical and experimental research activities and clinical activities at the Department of Anesthesia and Intensive Care

• 1989-1999 **STAFF ANAESTHESIOLOGIST**
Hospital 'Policlinico'- BARI - Department of Anesthesia and Intensive Care

• 1988-1989 **INTERNE DE SPECIALITE - Université Paris XII- Créteil, France**
Service de Réanimation Médicale, Hopital Henri Mondor
Main duties and responsibilities Clinical and experimental research activities and clinical activities at the Réanimation Médicale.

EDUCATION

- 2000 *Certificate in Epidemiological Methodology*
University of BARI
Thesis "Effectiveness of the trans-oesophageal echocardiography in the diagnosis of aortic traumatic injury: meta-analysis of the literature".
50/50 and honours
- 1994-1998 *Residency in Pneumology - University of BARI*
Thesis "Comparison between two methods of measure of the airways occlusion pressure (P0.1) during assisted mechanical ventilation in BPCO patients with intrinsic PEEP"
50 /50 and honors
- 1986-1989 *Residency in Anesthesiology and Intensive Care - University of BARI*
Thesis "Evolution in ' vivo' of the resistance and the diameter of the endotracheal tubes". 50 /50 and honors
- 1986 STAGE at SERVICE DE NEPHROLOGIE ET D'HEMODIALYSE, HOSPICES CIVILS, UNIVERSITE DE STRASBOURG, FRANCE
- 1986 *M.D. Degree - University of BARI*
Thesis "Endotoxins in the pathogenesis of the epato-renal syndrome"
110/110 and honors

AWARDS

- 2015** European Society of Regional Anesthesia & pain Therapy – Best ePoster competition 34th ESRA Congress. The prize has been awarded for the poster entitled: **Spinal anesthesia: comparison of two different doses of Levobupivacaine for cesarean delivery.** D'Ambrosio A, Beck R, Salatto P, Del Vecchio P, Zibar L, D'Antini D, Mirabella L, **Cinnella G.** Reg Anest & pain Med, 2015; 40(5):S1, e177
- 2014** European Society of Anesthesiology –Baxter prize, awarded for a clinical, peer-reviewed publication or a laboratory peer-reviewed publication of significant relevance on the following area of interest: Improving patient recovery after general anaesthesia for the paper entitled: Effects of recruitment maneuver and positive end-expiratory pressure on respiratory mechanics and transpulmonary pressure during laparoscopic surgery. **Cinnella G,** et al Anesthesiology. 2013 Jan;118(1):114-22
- 2011** Award from the Società Italiana di terapia del Dolore (FEDEROLORE), VI National Congress for the communication entitled "Symptoms and sensory profiling in 11 patients with trigeminal neuralgia"
- 2005** Award from the Società Italiana di Analgesia, Anestesia, Rianimazione e Terapia Intensiva (SIAARTI), held at the 59th National Congress of the SIAARTI, for the communication entitled: "Continuous epidural anaesthesia: levobupivacaine vs levobupivacaine-sufentanyl. Neuroendocrine response effects and gene polymorphism for the opioids

ORGANIZATION SKILLS

Since 2017

ACADEMIC ACTIVITIES

Scientific coordinator of the Advanced Medical simulation center "Skill Lab", University of Foggia

| | |
|------------|--|
| Since 2016 | Director of the Residency School in Anesthesia and Intensive Care University of Foggia |
| 2015 | Italian Government Labor Dept: National Observatory on Disabilities: working group n. 4 "Students training and school inclusion" |
| since 2013 | Rector Delegate for Special Needs Students |
| 2013 | Member of the Ethics Committee 'Riuniti' Hospital, Foggia |
| Since 2012 | Programme Director of the School for Nurses, University of Foggia. |
| 2008-2012 | Graduate Programme Director of the Master in Nursing, University of Foggia |
| 2007-2010 | Director of the Residency School in Anesthesia and Intensive Care University of Foggia |
| 2005-2006 | Director of the Residency School in Geriatrics – University of Foggia |
| 2004-2008 | Chairman of the Medical School's Didactic Commission |
| 2002-2006 | Rector delegate for the work group CRUI on the 6° FP of European Community. |
| 2000-2010 | Coordinator Socrates/Erasmus program – Faculty of Medicine -University of Foggia |
| 2002-2004 | Member of the Academic Senate, University of Foggia |
| 2000-2006 | Rector delegate for Scientific research - University of Foggia |
| 1999-2001 | Member of the University Administrative Board - University of Foggia |

ORGANIZATION SKILLS

APPOINTMENTS BY GOVERNMENT AUTHORITIES

| | |
|-------------------|--|
| SINCE 2015 | Welfare Ministry: working group on Life long learning of disabled people |
| 2018 | AGENAS : external scientific expert (AREA 4: clinical /management /epidemiologic /social) |
| 2019 | AGENAS : external scientific expert (AREA 4:clinical /management /epidemiologic /social and AREA 5: Research and International relationships) |
| 2019 | Centro nazionale Sangue: member of the working group Survey on Patient Blood management implementation strategies in Italy) |

TECNICAL SKILLS

PEER REVIEWER ACTIVITIES – REFEREE FOR:

| | |
|--------------------|--|
| SINCE 2018 | Agenzia Italiana per il Farmaco (AIFA): external scientific expert |
| SINCE 2017 | Lazioinova: evaluator of research projects L.R. 13/2008 art. 4 |
| 2018 | Italian Health Ministry-AGENAS: expert for the thematic areas n. 4 (clinical and organiza epidemiology/ social healthcare) and n. 5 (Research and Internationalization) |
| 2016 | European commission Horizon 2020: PHC 21 – 2016: Scaling up evidence in pblic health. |
| 2015 | European commission Horizon 2020: PHC 30 – 2015: Digital representation of heath data to improve diagnosis and treatment |
| 2013 - 2014 | European commission Horizon 2020: PHC 23 – 2014: Developing and comparing new models for safe and efficient, prevention oriented health and care systems |
| 2013 | Czech-Norwegian Research Programme (CZ09) financed from Norway Grants |
| 2013 | European Commission 7th FP: HEALTH.2013 INNOVATION, theme: Understanding and controlling pain. |
| Since 2012 | European Commission 7th FP – eCOST Trans Domain Proposal action |
| Since 2012 | European Food Safety Authority (EFSA) |
| 2012 | Referee for the Italian Government in the VQR (Quality of Research evaluation) activity |
| 2010-12 | European Commission 7th FP: HEALTH.2013 theme: Comparative effectiveness research (CER) in health systems and health services interventions |

- 2008-12** Referee for Joung investigator grants (Futuro in Ricerca) Italian Governement
- 2008-12** Referee for National research projects (PRIN) Italian Governement.
- 2006** Referee for Piedmont Region (Italy), Bando per Progetti Strategici di Ricerca Industriale
- 2005** Referee for European Commission 6th FP – NEST and MARIE CURIE actions
- 2005** Referee for European Commission 6th FP – eTEN actions
- Since 2002** Reviewer of the journals: Minerva Anestesiologica, Intensive Care Medicine, Critical Care medicine, BMC Anesthesiology, Int J of Nanomedicine, American Hearth Journal, Redox Report, Thorax, J of Inflammation, J Clinical Monitoring and Computing, J of Pain Research

TECNICAL SKILLS

- 2019-21** Chair of the Scientific Committee of the European Society of Anesthesiology, subcommittee 2, ambulatory surgery
- 2016-21** Member of the Board of the SIAARTI (Società Italiana di Anestesia, Analgesia, Rianimazione e Terapia Intensiva) and Chair of the Congress Committee

SCIENTIFIC BOARDS

RESEARCH PROJECTS

- 2019** 2020-2023: European Commission – EACEA – Erasmus + programme – Knowledge Alliances **Principal Investigator** Proposal EAC/A02/2019 Simulation Approach for Education and Training in Emergency (SAFETY)
- Since 2018** Member of the Steering Committee of the PROTHOR (protective ventilation and postoperative pulmonary complications during thoracic surgery), a prospective multicenter randomized international cohort study, conducted by the European Society of Anesthesiology
- Since 2013** Member of the Steering Committee of the PROBESE (protective ventilation and postoperative pulmonary complications in obese patients), a prospective multicenter randomized international cohort study, conducted by the European Society of Anesthesiology
- 2011-2012** National coordinator of the LAS VEGAS (Local assessment of ventilator management during general anesthesia for surgery and affects on postoperative pulmonary complications) a prospective multicenter international cohort study, conducted by the European Society of Anesthesiology
- 2010-2011** Local coordinator of the PROHVILO study (Protective ventilation during general anaesthesia for open abdominal surgery) a prospective multicenter international cohort study sponsored by the Academish Medish Centrum – University of Amsterdam (NL) and conducted by the European Society of Anesthesiology
- 2010-2012** National coordinator of the PAIN OUT (postoperative pain research project), a prospective multicenter international cohort study founded by the European Commission and conducted by the European Society of Anesthesiology
- 2015-2017** Research Grants, Active as Co-Investigator:
“Pre.C.I.O.U.S. (Predictive Computer aided scoring support system): Sistema per l’ottimizzazione delle procedure e dei percorsi assistenziali nella pratica clinica ospedaliera”, source Italian gouvernement, Regione Puglia, project I4W9R64, start 19.11.2015 end 18.11.2017
- 2007-2011** Evaluation and validation of new devices for monitoring and extracorporeal treatment of patients with severe sepsis”, source Italian Gouvernemnt - Regione Puglia
- 2006** “ARDS and mechanical ventilation: respiratory markers”, source University of Foggia
- 2004** “Pharmacogenetics of the analgesic drugs in the post-operative patients” source University of Foggia
- 2004** PRIN 2004 - "Identificazione della componente eredo-familiare nella patogenesi dell’ictus ischemico giovanile” , source Ministero dell’Università;

- 2002** PRIN 2002 - "Effects of general anesthesia on oxidative stress in patients with pre-eclampsia undergoing Caesarean section ", source Ministero dell'Università
Research Grants, Active as Principal Investigator:
- 2003** "Effects of general anesthesia on oxidative stress in patients undergoing Caesarean section" source University of Foggia".
- 2002** "Effects of opioids on oxidative stress", source University of Foggia
2001 "Effects of opioids on surgical stress", source University of Foggia
2000 "Effects of various systems of humidification of the airways on the tracheobronchial cells", source University of Foggia

OTHER SKILLS

SINCE 2017

2013-16

2012-2013

2000-2006

SINCE 1990

TEACHING RESPONSIBILITIES

Doctorate "Medicina traslazionale ed alimenti: Innovazione, sicurezza e management"

Università di Foggia

Doctorate in "Medicina sperimentale e rigenerativa" University of Foggia, 2013

Doctorate in "Scienze neuropsichiatriche, cardiopneumologiche e dell'invecchiamento", University of Foggia, 2012

Doctorate in "Didattica della medicina", University of Foggia,

Teaching in Residency Schools and in School of medicine, University of Foggia: Intensive care, Anesthesiology, Pain Management,

PERSONAL INTERESTS

SINCE 2008

SOMMELIER CERTIFIED FORM AIS (ASSOCIAZIONE ITALIANA SOMMELIERS)

MEMBERSHIPS

Società Italiana di Anestesia, Analgesia, Rianimazione e Terapia Intensiva (SIAARTI)

European Society of Intensive Care medicine (ESICM)

European Society of Anaesthesiology (ESA)

Società italiana Simulazione in Medicina (SIMMED)

LANGUAGES

Prof. Cinnella has an excellent knowledge of written and spoken English and French

BIBLIOGRAPHY

Prof. Cinnella is author of more than 100 scientific paper published in national and international journals.

September, 1st, 2022

Gilda Cinnella
